Debora Chow

Treasurer

Melanie Boller

Assistant Treasurer

School Leadership Team

Sterling Nunnally

Lisbeth Dervisevic

Katherine Loughran

Principal

Dr. Reginald Landeau Jr.

Parent Coordinator

Jordan Nichols

Our children are fortunate to attend one of the city's finest middle schools. The Parent-Teachers' Association of The George J. Ryan Middle school 216Q actively supports this high-quality learning by generously donating time, energy and funds. Your support makes the PTA's support of the school possible.

Your annual dues and donations support student activities, course-related materials, parent workshops, and equipment not funded by the Department of Education such as the Graduation, Prom, Awards Night, Earth Day, School Teams, School Clubs, School Trips, and Events.

While this year things are different due to COVID-19, we as a PTA will strive to do everything possible for our school community. We need your help and support. To benefit our children, we **suggest** a donation of \$50 or more per family, but any amount you choose to donate will be put to good use. While donations are not mandatory - all parents, guardians, and teachers in the MS 216Q community are automatically PTA members.

Parents are invited to join our monthly scheduled meetings, which are held every second Tuesday at 6:00 pm via ZOOM. We strive each year to do more, be more, and grow more. We need to hear from you, communication is key and essential to our success at RYAN!

Kindly scan our Paypal code with your smart device to participate in electronic donations. Due to the pandemic we have limited school access. If you would like to drop a donation off to the school please have your envelope prepared, drop it in the PTA drop box and depart. (No gathering at the school.)

Sincerely,

The Executive Board of the PTA of MS216Q
